

# PEAKE'S PUZZLES

## ADVENT CALENDAR 2021

Welcome to the Peake's Puzzles Advent Calendar for 2021 – a giant cryptic crossword!

Three new clues will be revealed each day until 25<sup>th</sup> December, on which day a bumper load of clues will be released.

To start off with, you will not be told how long each clue answer is or where the answer goes in the grid. The day after a clue is given, its answer length will be revealed. The day after that, its clue number will also be revealed.

If you're clever, you'll be able to put in some grid entries before all this information is revealed.

Clues will be posted each day on Twitter, [@PeakesPuzzles](#), and all clues can be checked at [puzzlevent.com](#)

But that's not all!

Enjoy, and good luck! – Dan P
